AutoStory, Inc. is joining forces with state motor vehicle departments to deliver instant electronic registration, lien, title and insurance verification through automotive dealers, insurers and lenders. Our exciting new solution is entirely web-based and employs leading-edge encryption technology for complete privacy of customer information.

Here's the best news: [It won't cost your department a dime.](#) We'll work with your IS people to build an interface to your existing

systems. Then we'll market the service to resellers in your state. All at no cost to you. AutoStory fees are charged to your resellers, while your department takes the kudos at the capital for unsurpassed efficiency and cost savings.

To get your department started right away, contact AutoStory toll-free at (877) 590-3345 or visit us at www.autostory.com.
